## Earn and Learn Plan/Incentive Plan

Unlike the other network marketing companies working on MLM principle and following the Pyramidal system of binary earning Plan, where Left: Right ratio becomes a mandatory & toughest factor for the associates to add to their downlines and maintain a ratio of either 1:2 or 2:1 to earn incentives .We at youngindiatimes.com doesn't force or compel any of our users to enter into such kind of complicated system.

Keeping in view the most embarrassing & deadliest drawback of the above said MLM companies, We at Youngindiatimes have introduced a **flexi & easiest** Learning with earning Module for the young aspiring talents, who can prepare themselves for various competitive Examinations with our highly qualitative and updated study materials along with other services provided by Youngindiatimes as well as encash their talents by sharing their knowledge and views about Youngindiatimes

As per our Learning with Earning Plan is concerned ,We at Youngindiatimes neither follow the defective Pyramidal system of binary earning Plan, nor does our users have to maintain a balanced ratio to earn incentives. We pay incentives to our Associate Members on single entry basis without forcing him/her to follow a hectic process of maintaining a ratio of 1:2 or 2:1 .Some of Our Learning with Earning Plans are mentioned below .Therefore we request /allow only those users/students to enter into this programme who themselves are fully satisfied with the Study Material & course package provided by Youngindiatimes.

- 1. Direct Incentive Plan (DIP):** Users can refer this Study Material & course package to unlimited number of users .Every direct reference by the 1<sup>st</sup> users will enable him/her to get 500 incentive points.
- 2. Fixed Indirect Incentive Plan (FIIP):**It is based on the principle of second line of reference.
- 3. Left Pool Royalty (LPR):** A set of circles in the left hand side of the users.
- 4. Right Pool Royalty (RPR) :** A set of circles in the Right hand side of the users .
- 5. Achiever's Club Benefit (ACB):**It is based on the total number of referrals per circle/Level. This is most rewarding beneficial plan for the Associate Members.
